Dear Ms. Meck,

I was excited to see your internship opportunity for Social Media Content Writer and I hope to be invited for an interview.

My background includes four years of on-air radio experience. I hosted an All 90's Request show for Amarillo College as well as a morning show for West Texas A&M University. During my time at WTAMU I wrote articles for The Prairie student newspaper and was the social media content generator for the AD/PR Society. I was a part of the music team, production team, sports team, and news team for KWTS. I am proficient in Adobe Audition, and I have also won several awards for various sweepers and promos that I have made. I was also a member of the National Broadcasting Society and Panhandle Storytellers Guild. I also have extensive experience conducting live interviews, phone interviews and pre-recorded interviews. I am bilingual as well.

I am confident that I have all the skills you are seeking and can be a huge asset to Interactive 360. Please feel free to call me at 806-441-6593 to arrange an interview. Thank you for your time and I look forward to hearing from you.

Sincerely,
