Headline: Joe Marson debuts first single **"Love You Safely"** off his new EP ***Electric Soul Magic***

"Alternative folk-rocker Joe Marson causes goosebumps with his soulful voice, and he's been giving us plenty with his latest single, 'Love You Safely'". --Nick Krenn - Earbuddy

BROOKLYN, NY (June 6, 2014)--[Joe Marson](#) debuts the first single **"Love you Safely"** off forthcoming EP *Electric Soul Magic*, which shows us the inescapable attachment that occurs with someone, and the frustration involved in knowing it will never work out.

Check out "Love You Safely" on [Earbuddy](#) and [SoundCloud](#)!

Joe Marson's **"Love you Safely"** cultivates the story of unlikely lovers that fall into their short term desires of lust for one another. The song is strung together by eloquent echoes and enchanting harmonies, paired with an alluring guitar melody.

In its full entirety, "Love you Safely" is pieced together by keys, drums, bass, and guitar all played by Marson. With the drums and bass recorded at **Converse** [Rubber Tracks](#) studio, it has taken the track to new euphonic measures. Through Marson's soulful folk voice and strumming tune you will capture all of the song's emotion.

*Joe Marson and band, **The Satisfied Mind**, recorded their previous EP Someday Soon in 2012 at East One Studios, with local legend and acclaimed producer, **Jimi Zhivago (Norah Jones, Ollabelle)**. Taking the audiences to unexpected places with his band, The Satisfied Mind, Marson conveys consuming passion, illuminating harmonies with redolent lyricism. The group continues moving audiences with their acoustic/electric performances all over the East Coast.*

Tour Dates

07.17 IOTA Club & Cafe - Washington, DC

07.24 Mercury Lounge - New York, NY

Praise for Joe Marson

"...He takes an amazing range of influences with the stuff that he does. He's got an amazing voice and I think you'll love his songs as well." --**Matt Pinfield, Host of MTV's 120 Minutes**

"It's rare to meet an authentic and soulful alternative rock singer these days. However, if there ever was one that came closest to belonging in this little niche; you can bet Joe Marson is one of them." --
