ULTRATAPE MOVES TO A NEW EXPANDED FACILITY IN WILSONVILLE, OR

Wilsonville, OREGON June 4, 2013 UltraTape Industries, a division of Delphon, and the premier supplier of Cleanroom tapes and labels has moved to its new 22,000 square foot facility. Located in Wilsonville Oregon, this larger state-of-the-art facility increases UltraTape's capacity and expands the company's Class 100 cleanroom manufacturing capabilities.

"The move to the new facility will help us accelerate the growth of UltraTape's product lines and provide our customers with the highest quality cleanroom tape and labels for their critical environments," said Lance Ochs, UltraTape Sales Manager. The new facility is outfitted with additional manufacturing capabilities for custom products and an expanded QA lab to qualify materials to meet stringent customer requirements".
