# Cars That Made Detroit

The Detroit Historical Society wants to congratulate you on your participation in this special event. It takes real dedication and a passion for the hobby and cars we love to get to this level of achievement.

Let's go back in time to the 50s and 60s, when we took our Thunderbirds, Mustangs, Cobras, Road Runners, Chargers, Challengers, Barracudas, 57 Chevys, Corvettes, Camaros and GTOs out on Friday nights with our dates to Blazo's, Big Boy, A&W, or Dailey's for dinner ... then hung out in the parking lot to talk about our cars.

With the help of the Detroit Historical Society, Franz Estereicher and I, Tony Gramer, would like to take you back in time to the cars that made Detroit.

We'd like to extend a personal invitation to you to join us with your beautiful automobile. If you have any questions, feel free to call me, Tony at 734.812.3439 or Franz at 248.321.9322. My e-mail is [tgramer@sbcglobal.net](mailto:tgramer@sbcglobal.net) and home address is 186 Scarlett Dr., Canton, MI 48187.

Your car is hand picked and only 25 cars will be attending. The entry fee for the show is \$50. Each participant will receive a commemorative plaque, VIP status at the Detroit Historical Museum for the day and food tickets for the evening's 314<sup>th</sup> Birthday Party event.

To enter your car in this prestigious event, please send your contact info and a little history of your car. We would also like photos of your car showing  $\frac{3}{4}$  front and rear view, the engine compartment, and interior. Please include a check or money order to the Detroit Historical Society.

Please Mail to: Tony Gramer & Franz Estereicher
