

# Use your degree. Start your career. Make a difference.

alliantgroup is inviting accomplished critical thinkers to join our select team of multidisciplinary intellects in our mission to strengthen American businesses.

We are experiencing explosive growth in the following disciplines:

- *MBA's and PhD's*
- *Biological Sciences*
- *Technology*
- *Engineering*
- *Mathematics*
- *Government and Law*
- *Economics*
- *Information Technology*
- *Computer Science*

If you are the type of professional who is eager to leverage and convert your specialized background to a business career, submit your credentials for consideration.
