

Help your school celebrate Earth Day by identifying ways to save energy.

Did you know that getting an **on-site energy audit** can save your school nearly **\$6,000** per year?*

For a limited time, you can get your on-site energy audit **for only \$59**, valued at up to **\$2,700**.

*In 2015, the average on-site energy audit identified nearly \$6,000 in annual energy savings for each participating business

What will your school do with all the money saved?

Aside from saving money, on-site energy audits provide a slate of energy conservation opportunities as well as:

- An end-use profile outlining your greatest energy uses
- Cost of equipment upgrades
- Associated payback times
- Energy savings
- Available Xcel Energy rebates
- An ENERGY STAR® Portfolio Manager results section
(for those who qualify)

That's right – on-site energy audits can save you money and help protect our environment at the same time.

Signing up for an on-site energy audit is easy!

Simply call your Xcel Energy Account Manager or our Business Solutions Center at **1.855.839.8862** to get started today.

Make sure to use **promo code SAVE** to obtain the **\$59 energy audit** and submit your application by 11:59 p.m. on May 6, 2016.
