## Title Sponsor

**Chase** has over 120 Colorado branches and 1,000 local employees serving more than a million local customers. We love supporting great organizations like the Boys & Girls Club of Larimer County and thank them for the sneak peek at the Rams' awesome new home.

## Partner of the Year

**Poudre School District** has partnered with BGCLC for over a decade. Poudre School District's Operational team supports BGCLC by providing transportation for youth to get to the Club after school; custodial and maintenance support; and by offering staff development opportunities. This partnership continues to enhance BGCLC's ability to serve youth optimally. The BGCLC sincerely thanks PSD for their continued support.

## Champions for Children

**Meredith Hodges** has partnered with the BGCLC since 2007 after a major contribution to the Loveland-Pulliam Capital & Endowment campaign. She invests annually in BGCLC and Hearts & Horses. Meredith regularly gives Club members tours of her Lucky 3 Ranch and allows them the opportunity to learn about mules! The BGCLC truly appreciate her dedication to our mission and her on-going support and friendship!

**NOCO Unify** has been a tremendous partner to Boys & Girls Clubs of Larimer County since 2007. As a fundamental part of the non-profit community, NOCO Unify consistently raises thousands of dollars annually for children's charities. This year, BGLCC was chosen as a grant recipient. The BGCLC are incredibly humbled by the support the organization continues to give the youth we serve in Larimer County.
