

2010
CHARDONNAY
SUISUN VALLEY

Our Chardonnay just feels better “naked.” Cold-fermented in 100% stainless steel tanks, the grape exposes itself to a more natural state. No stuffy oak barrels. To *taste* great naked, we chose California’s Suisun Valley for its Chardonnay-friendly terroir and cool evenings. Step away from the barrel, strip down and experience our full body with aromas of lemon zest and pear.
