Here's what you need to know about **Girls Aloud**: they're gift-wrapped kitty cats, they don't need no good advice, and they can't speak French. Oh and next year, they're going on a nationwide tour to celebrate a decade's worth of success -- and you can bag a ticket with today's deal from [Seatwave](#). Sound good? Let's go, Eskimo.

- The magic number's in front you: for **£42** get ready for a night of big tunes and big hair with your choice of standing or seated ticket, at the Manchester Arena on **March 5 or 6, 2013**.
- Or for just **£49** feel the static from the below with a standing or seated ticket to the tour at the **London O2 on March 2, 2013**.
- Recently declared **the most successful girl group of the 21st century** by Guinness World Records, the **Brit Award-winning** group will perform all the hits including 'The Promise', 'Biology', 'Call the Shots', 'Sound of the Underground', and new single 'Something New' -- a whole lotta history, basically.

Should you miss this? No no no. Hit 'Buy Now'? Yes yes yes.
