It must be alright being a mermaid -- sunning yourself on a rock, wearing shell bikinis, and giggling coquettishly at sailors. Flick a fin at today's deal from Emyub, and colour some mermaid waves into your barnet with Hair Chalk for just €13 (a €61.69 value).

- Get the on-trend dip-dye look with this funky, easy-to-use product -- your pack will include **24 pastel pieces** and come in an **assortment of different colours** to suit your mood.
- It couldn't be easier to get a new look: just **spray your hair with water**, apply the chalk, then set with some hair straighteners.
- The best bit? It **washes straight out**, so there'll be no complaints from the parents.
- Glamorous sea-dweller Murgan O'Barnacle was reportedly overheard telling a friend: "Hair Chalk has changed my life -- with my resplendent, briny locks, I'm surely the bonniest mer-person across the Seven Seas."
- Delivery costs €7.50.

Make a splash with your hair -- and perhaps you'll snare a shipmate of your own this year.

PROMOTIONAL VALUE EXPIRES ON FEBRUARY 14, 2013
