Summary

A Los Angeles-based writer with comedy background and a large body of unique writing inspired by international experiences.

"Extraordinarily gifted...very much of a Miles Davis."
- **Forbes Magazine**

Experience

National Lampoon

Staff Writer, 2016 to 2019

Created topical and evergreen comedic pieces for the weekly podcast and full length comedy album, including punch-ups of other writer's scripts, as well as performed bit parts.

Netflix, Walt Disney Studios, CBS Television, HGTV, Electronic Arts, Fox Animation Studios, Oxygen Network

Freelance Creative Consultant, 2012-2019

Worked with network executives in strengthening creative insight throughout production, domestically and internationally.

BBC Radio

Writer, 2017

Wrote scripted pieces and jokes for weekly satirical news show *Newsjack* on BBC Radio 4

Break.com/Defy Media

Content Writer, 2016

Created viral videos and product-based content working closely with the head writer and producers from pitch to final video edits.

CBS Diversity Showcase

Writer, 2014-2015

Weekly pitching to executives, co-writing and editing from notes, working with actors, and producing all original ideas. Wrote most pieces for final show.

Pack Theater

Writing Teacher Assistant, 2012-2015

Assisted instructor in giving writers feedback and organization for students in writing classes as well as sub teaching the classes.
