McSweeneys.net | October 09, 2011

1. My dog just died today.
2. I started something, I forced you to a zone and you were clearly never meant to go.
3. Because you're evil and you lie.
4. You wouldn't like the real me anyway.
5. Girlfriend in a coma, I know, I know, it's really serious.
6. I may have scurvy.
7. I'm too despondent to leave my room.
8. What difference does it make?
9. I know I'm unlovable; I wear black on the outside because black is how I feel on the inside.
10. I lost my faith in womanhood.
11. I would go out tonight but I haven't a stitch to wear.
12. My girlfriend left me with a broken heart and a lost virginity, and frankly, I can't see you doing any better.
