## About Goldstar

Goldstar helps connect live entertainment providers everywhere in the U.S. with our community of enthusiastic people who love to go out. We work with box offices and marketing teams to offer tickets at accessible prices to a growing audience of more than 10 million members.

"

Goldstar has the best inventory of ticket deals and thus has become a great complement to our theater resource offerings. The tools and technical capabilities they provide allow for high conversions and have led to a very successful partnership for us.
