What happened in this movie?

It's always very exciting when a popular television series is able to spin off into a feature film that tells an even bigger story. These movies are so often beautiful odes to what makes the original series so important in the first place. Demon Slayer: Kimetsu no Yaiba is one of the biggest anime hits of the past few years. It tells a fairly traditional story about a boy, Tanjiro, who suffers tragedy only to channel it into his journey to become an acclaimed Demon Slayer, but it's full of incredible action sequences, lovable characters, and remarkable animation. The first season of Demon Slayer tells a strong story, but in many ways it feels like Tanjiro's adventure is just getting started. The episodes go out on a cliffhanger of sorts that puts an intimidating—and possibly demonic—locomotive front and center.

All About The movies

Demon Slayer: Kimetsu no Yaiba the Movie: Mugen Train is the anime's first movie and the excitement that surrounds it is unbelievable. Mugen Train has gone on to break every box office record in Japan and become the highest grossing film of all time over there. In what's been a very difficult year for the box office, Mugen Train has been one of the few titles to experience rampant success. Now that Demon Slayer is on Netflix, HBO Max, and more widely available than ever before there has been more discussion surrounding the accompanying feature film and just when audiences outside of Asia can expect to see it.

When Will Mugen Train Be Released?

Demon Slayer's Mugen Train film was released back in October, 2020 in Japan and it's still playing in various theaters due to the unprecedented success that the film has seen. Demon

Slayer was already popular in North America and Europe, so the movie making its way outside of Japan was inevitable, but the movie's intense popularity has guaranteed that new audiences will get to experience the movie. Unfortunately, a firm release date for the North American release hasn't been set other than a relatively vague window of "early 2021."

This window becomes smaller as March approaches and the reason that there have been cold feet on the release front is likely because of the movie's success elsewhere in the world. Funimation is eager for a theatrical release that can fully take advantage of the anime's growing audience and at the moment theatrical releases are still far from a sure thing, especially for more niche releases. A digital release for Mugen Train is perhaps possible by Funimation at this point, but they'd prefer to give this movie the prestige treatment that it deserves in a theater. Regardless of whether this theatrical release plan is feasible or not, Mugen Train will still release in 2021, ideally before the year is half over.

What's The Story?

The story in Mugen Train picks up from the end of Demon Slayer's first season, which involved Tanjiro and company boarding the Infinity Train, unaware that a dangerous demon is also aboard the vehicle. Tanjiro aligns himself with the Flame Hashira, Kyojuro Rengoku. The group hopes to gain valuable intel from Rengoku, but they're instead roped into a more dangerous scenario. The reckless monster aboard the train that Rengoku focuses on is Enmu, one of the members of the Twelve Demon Moon, who is determined to prove himself to Muzan Kibutsuji through the execution of Tanjiro. All of these powerful personalities come together and clash while also being confined to the claustrophobic quarters of a locomotive. It's one of Demon Slayer: Kimetsu no Yaiba's most thrilling story arcs.

Who Boards The Mugen Train?

It's not uncommon for the cast of characters in anime series to change and movies are a frequent opportunity for new characters to jump in or for the fat to get trimmed elsewhere. Mugen Train is entirely set aboard a train that's filled with demonic activity, which means that it has a fairly focused narrative with a select amount of characters. Tanjiro boards the train along with Nezuko, Zenitsu, and Inosuke, so his entire team is present, but none of the more recent friends that he's made at the Butterfly Mansion come along.

Season 2 of Demon Slayer has been officially announced by the Demon Slayer Twitter handle. Kimetsu No Yaiba is one of the most popular anime shows of recent years. Read on to find out Demon Slayer season 2 release date

Demon Slayer Season 2 Release Date

The 2020 Demon Slayer film, Mugen Train is a superhit in theatres worldwide and became the highest-grossing film of all time in Japan. The broke many records and is already considered by anime fans to be one of the best anime films of recent times. Even before the release of the film, Demon Slayer: Kimetsu No Yaiba was a very popular anime with one season released. After the success of the film, the creators of the anime have wasted no time to officially announce the second season. With how popular this show is, it comes as a welcome surprise to anime fans.

Although no date for the release of season 2 has been given, the announcement states that Season 2 of Demon Slayer will be released sometime in 2021. A trailer for season 2 was also released that showcased some things that will happen in the upcoming season. Demon Slayer Season 2 will cover the famous Entertainment District Arc from the anime. Take a look at the trailer below.

The Entertainment District Arc in Demon Slayer manga is a popular storyline. In this arc, the main characters infiltrate a district in Japan to hunt demons. Tanjiro, Nezuko, Zenitsu, Inosuke, team up with a new demon hunter called Tengen Uzui, the character who is in the Twitter announcement poster for season 2. The Entertainment District has some intense fights and a great storyline. Fans are excited in anticipation of the upcoming season. Demon Slayer is also getting its very first video game adaption this year as well. It's an exciting year for Demon Slayer fans. While the manga has come to a close, the popularity of the anime keeps skyrocketing.

About Demon Slayer: Kimetsu No Yaiba

Demon Slayer was a highly popular shonen manga that was adapted into an anime in 2019 and it received very high ratings. The show is popular all over the world and has a loyal fan following. Season 1 of the anime follows the story of Tanjiro Kamado, whose life is turned upside when finds all his family dead upon returning from a trip to the city. The only survivor, his sister Nezuko has been turned into a demon. He promises her that he'll do everything in his power to protect her and change her back into a person. Thus, he starts his journey of becoming a demon slayer and learns to become a fighter to kill demons and protect innocent people. The first season of the anime is streaming on Netflix, in case you haven't seen it yet.
