

Welcome Marty Hallman

New Philadelphia Plant Manager

A close-up photograph of a mechanical bearing assembly, likely from a Timken product. The image shows a series of curved, metallic components arranged in a circular pattern. A white scale with black markings is visible on the right side of the assembly. The markings include a small circle, the letter 'Z', the Greek letter 'E', the letter 'Y', the Greek letter 'Σ', a dash '-', and the letter 'T'.
